

Calderdale Trades Council

Calderdale Trades Council exists to bring together union branches and members at a local level to campaign on issues affecting working people in their workplaces and their communities.

We are working alongside local campaigning groups to organise against the cuts and privatisation that the Conservative government is inflicting on our services nationally and locally.

Our meetings are open to all trades unionists and others who share our objectives. We welcome and encourage affiliations from all union branches which have members who live or work in Calderdale.

Future Meetings

If you are interested in getting involved, please come to our next meeting - see our web site for details.

If you would like further information or would like to join our mailing list for future events, please email info@calderdaletuc.org.uk.

Please would you ask your union branch to affiliate to Calderdale Trades Council. An affiliation form is printed overleaf.
